

OUR PURPOSE

WORD OF LIFE SCHOOL OF MINISTRY is designed to equip every believer to be a minister of the Gospel of Jesus Christ.

WOLSOM is for the lay person who wants to have a stronger foundation in the word and be better equipped to serve the local church. WOLSOM also serves as a window into the ministry for those who feel called to the five - fold ministry.

OUR PLAN

Word of Life School of Ministry offers 3 programs of study. **A CERTIFICATE OF BIBLICAL STUDIES** is awarded upon the completion of 18 credit hours (9 courses). This may be accomplished by attending as a full-time or part-time student and fulfilling all other requirements.

AN ASSOCIATE OF MINISTRY DIPLOMA is awarded upon the completion of 36 credit hours (18 courses). This is achieved by attending as a full-time student and completing all other requirements.

THE AUDIT PROGRAM is available for those who desire to attend the classes but do not want to fulfill the requirements necessary to complete the two programs of study.

OUR METHOD

Our method of equipping includes anointed instructors with practical ministry experience. Ministry training that is hands on where the students are challenged to put into practice the principals that they are being taught in the classroom. An atmosphere where the Spirit of God has freedom to impart into student's lives through the manifestation of the presence of God. In this atmosphere the students are able to experience the supernatural power of God.

WHO CAN ATTEND?

Do you desire to "**DO SOMETHING FOR GOD**" even though you may not know what it is?

Do you want to be an effective help in your **LOCAL CHURCH**?

Is it in your heart to impact "**YOUR WORLD**" for Christ?

Are you called to serve in a full-time, five-fold ministry, but don't know where to start?

If you answered "**YES**" to any of the above, Word of Life School of Ministry is just the place for you!
